

Covin Sales & Converting

Fabrics with proven quality and durability

Covin Sales & Converting offers fabricators the best products for their manufacturing needs. Covin Sales stocks specialty and industrial fabrics for many industries. We distribute Sundown solution-dyed acrylics, WeatherMAX® fabrics, Marlen fabrics, Phifertex® mesh, vinyls, marine and awning bindings, webbing, nylon and polyester fabrics. We offer custom laminating for marine interiors, die cutting and slitting services.

Covin Sales is the exclusive U.S. distributor of Sundown 100-percent solution-dyed acrylic fabrics. Sundown fabric, manufactured in Spain by Sauleda, is perfect for awnings, boat covers, bimini tops and other applications where prolonged protection is needed. Sundown is available in 47-inch width with more than 98 solid colors, and in 60-inch width with 51 solid colors, and more than 100 unique stripe patterns.

Covin stocks Agoura New Style Outdoor Casual Furniture acrylic fabrics, available in 71 solids and patterns, Duo and Port Marine top fabrics, and VIP-FR vinyl-coated polyester fabrics for awning, marine and tent applications. Our fabric line meets CSFM Title 19 and NFPA701. They include WeatherMAXFR, VIPFR, Top Gun FR, Top Gun Lite FR, Top Notch FR and others.
