

Enduratex

High-performance marine upholstery calls for Enduratex

Enduratex™ is a leader in performance coated fabrics. Enduratex fabrics are designed to meet the needs and rigors of the automotive/transportation, contract, hospitality, health care, leisure, marine and spa markets.

Enduratex is home to the proprietary and revolutionary topcoat, FORBID SRT, a breakthrough product for the vinyl industry, providing superior stain resistance while preserving fabric luster and softness. Stains from blue jean dye transfer, ink, paint, wine and lipstick are no match for FORBID SRT.

Enduratex is headquartered in Corona, California, and its parent company, U.S.I., a \$2.3 billion corporation, is headquartered in Taipei, Taiwan and is publicly traded on the Taiwan Stock Exchange.
