

Manart-Hirsch Co. Inc.

Extensive product inventories, competitive pricing and personal family service

Manart-Hirsch is a supplier to the manufacturers of marine, awning and industrial canvas products, and a direct distributor for some of the largest names in the marine industry, including Glen Raven Mills Sunbrella®, Serge Ferrari Stamoid®, YKK® Zippers, Marlen Textiles®, Herculite®, Strataglass®, Scovill Fasteners®, Tenara® threads, Consew Sewing Machines and much, much more. With Manart-Hirsch, you can select from one of the most comprehensive lines of fabrics for boat tops and the largest line of marine-grade clear vinyl for boat windows.

We are always on hand to answer any questions you may have at +1 516 887 1133. We invite you to look online at the products and services we offer, as well as browse through our newly updated and expanded catalog.

PRODUCTS: Marine fabrics, patterning materials, tools, upholstery fabrics, window materials, trim and cord, framing materials, thread and bobbins, foam and foam supplies, sewing machines and sewing machine parts and accessories, boat top hardware, buckles, D-rings, snaps, hooks, cleaners, adhesives, fasteners and grommets.
