

Piedmont Plastics®

Where solutions take shape

At Piedmont Plastics, we strive for excellence and continuous improvement in everything we do. We intend to be the premier North American distributor for the delivery and conversion of plastic sheet, rod, tube and film products. As we continue to grow, increase our capabilities and expand our market influence, our customers can depend on us for high-quality products, prompt deliveries, exceptional value and personable service.

Piedmont Plastics offers more than 46 convenient branch locations throughout North America stocked with industry-leading brands.

Piedmont Plastics has your marine solutions! The marine and canvas enclosure markets are a key component, with our dedication to the marine market since 1985. Our materials excel in applications from boat windshields, upholstery, enclosures and tackle centers to block out panels for wood and aluminum replacement, to name just a few.

Products include: semi-rigid and soft enclosure window materials, modified high impact acrylics, polycarbonate, abrasion-resistant and UV-resistant substrates, Regalite, O'Sea, cleaners, scratch removers, tapes and adhesives.
