

## Sattler Corp.

### *Leading performance textiles that meet highest requirements*

Sattler Corp. is a member of the Sattler AG family of international companies. Located in Hudson, N.C., the “Hudson Mill” facility is a centralized location for servicing its customers in the Americas. Sattler AG, headquartered in Graz, Austria, is a family-owned company dating back to 1875. A leader in European performance textile manufacturing, Sattler AG entered the U.S. market in 1982, and in 2011, started its U.S.-based weaving by acquiring the Hudson Mill from Shuford Mills, founders of the Outdura brand of solution-dyed acrylic. Today, Sattler Corp. produces solution-dyed acrylic fabric for its two brands: Sattler-brand 60” awning and marine fabric and Outdura-brand 54” casual furniture fabric. The complete range of Sattler AG sun protection fabrics (47” awning, Firemaster, 745 series) is also stocked and distributed through the Hudson warehouse. Sattler’s textiles meet the highest requirements in function, reliability, durability and ecological responsibility.

**PRODUCTS:** Solution-dyed acrylic fabric and PVC-coated fabrics for awning, marine, sign, tents, tensile structures, transportation, biogas, upholstery and other industrial applications.
