### Sattler Marine

#### *100% solution-dyed acrylic fabrics*

Sattler AG, headquartered in Graz, Austria, is a family-owned company dating back to 1875. As the leader in European performance textile manufacturing, Sattler AG entered the U.S. market in 1982, and in 2011 acquired from Shuford Mills, the Outdura brand of solution-dyed acrylics manufactured in Hudson, N.C. Today, Sattler Corp. produces solution-dyed acrylic fabric domestically for its two brands: Sattler and Outdura. Sattler's textiles meet the highest requirements in function, reliability, durability and ecological responsibility.

**PRODUCTS:** 100% solution-dyed acrylic fabric for marine, shade and casual furniture applications as well as a wide range of PVC products.
