Trivantage

Your go-to for all marine upholstery needs

The Marine Upholstery Collection from Trivantage®, the one-stop shop for fabrics, hardware, accessories and expertise for the marine, awning and furniture industries, is a specially selected line of products designed to provide the best fabric options for any marine upholstery project.

Whether fabric is being used for helm seats, sofa cushions or dining chairs, the Marine Upholstery Collection's fabric options are available in an extensive range of prices, colors, patterns and textures to satisfy any customer need.

Sunbrella® Horizon® – A best-in-class marine industry game-changer

Crafted to meet the brand standards of artistry, craftsmanship and performance, Sunbrella Horizon features an industry-leading three-year warranty against microbial pink staining and a five-year general product warranty.

Causeway™ – Exceptional value option

Exclusive to Trivantage and featuring a polycarbonate-based top coating, Causeway offers cleanability and extended performance and comes with a three-year warranty.

Seaquest – Time-tested and proven

A proven marine upholstery product with a leather-like appearance, Seaquest is a durable, marine-grade upholstery fabric that protects against UV rays, water, mildew, stains and abrasion.

Nautolex® Capitano™ – Extraordinary quality entry-level option

A standard in the marine industry for years that offers a balance between value and performance, Nautolex Capitano marine fabric is water repellent and resists bacteria, mildew and fading.
