

## **Keyston Bros.**

### *The real leaders and innovators in marine*

In business since 1868, Keyston Bros. has grown from a small, family-owned business manufacturing and selling whips and lashes on the streets of San Francisco, to becoming one of the largest and most well-respected national jobbers in the industry.

Keyston Bros. is one of North America's leading suppliers and innovators of fabrics, vinyls, leathers and textiles to multiple markets including automotive, marine and furniture upholstery supplies. With more than 200 employees at 19 distribution centers across the U.S., Keyston Bros. has an amazing depth of inventory on the shelf allowing for shorter delivery times and reduced shipping costs.

More specifically for the marine marketplace, Keyston Bros. is home to more than 800 marine upholstery vinyl SKUs as well as a vast selection of marine hardware, finishing supplies and topping material adding up to more than 7,500 SKUs in our full marine offering.

Let Keyston Bros. be your one-stop shop for top products, affordable prices and personalized customer service. We would love to partner with you.
